Celebrating
Queen Elizabeth's 70 years
of loyal service

Since our big move in August 2021, we have expanded our wide format capabilities to include outdoor and indoor signage. We can now produce vinyl graphics which can be applied to windows, boards and vehicles. Our plotter means we can cut vinyl to any shape and size, then mount it onto your chosen media. If you have a project for shop signage, internal graphics, or a vehicle that needs sign writing get in touch. We will have one of our experienced designers help you make the maximum impact.

BAR HILL FÊTE & FESTIVAL

Greetings one and all,

Well, our very first Fête & Festival back in July 2019, seems to have been a very long time ago and we all know the reasons for that.

However, we are extremely pleased to inform you that we've been back at the drawing board, very busily getting things in place and ready for this year's Fête & Festival.

We received some really good feedback about the last Fête & Festival and hopefully you'll see that we've listened and tried

to make some improvements this year, unfortunately, the weather is a little outside of our control, but we've got everything crossed.

Our theme for the 2022 Fête & Festival, is a celebration of the Queen's Platinum Jubilee after 70 years of loyal service to the Country and the Commonwealth and therefore it gives us a great reason for communities to get together to mark this historic reign and have some fun.

So grab your deckchairs, picnic blankets, other picnic items, and flags, and join us on the Village Green from 2 pm.

Come and have a stroll around the many stalls and hopefully pick up a bargain, maybe grab a bite to eat and have a drink or two, you could even have a go on the rides!! In the evening, kick back and listen to some music from a selection of local bands and DJ.

We would like to take this opportunity to thank all our sponsors, without their help none of this would be possible, a full list can be found later in this programme.

We would also like to say a massive thank you to all the volunteers that helped out with today's event. We really couldn't have done this without you.

And finally, we hope that you and your loved ones have a chilled out and fun filled day.

Regards,

Kate da Costa

On behalf of the Fête & Festival Team

Blue Thunder

Blue Thunder are a five piece classic rock covers band from Ely.

They have been established for over 10 years and formed in 2010.

The band consists of lead vocal, twin guitars, bass and drums. They cover all well known classic songs from Thin Lizzy to Deep Purple, AC/DC to Guns n Roses, Bon Jovi to Bryan Adams, Def Leppard to Queen, ZZ Top to The Eagles, Free to Whitesnake and many more in-between. Classics such as Hotel California, Sweet Child O'Mine and Livin' on a Prayer are among the many that feature in their set.

Powerful lead vocals and strong backing vocals deliver a truly great live performance.

The Casuals

After 10 years in the music industry, 2 top 20 albums and performances on some of Europe & America's biggest stages, including main stage Reading & Leeds Festival, Mallory Knox disbanded.

The Casuals are 3 of those members, performing a range of the best 90s Britpop through to Modern Indie Rock Classics. From Oasis, Blur, Pulp & The Cure, to The Killers, Stereophonics & Kings Of Leon. Some might say these are definitely, not maybe,

Cambridgeshire's finest! This is one not to be missed!

Why the Mark Levitt stage?

This year the main stage at the Bar Hill Fête & Festival will be named 'The Mark Levitt Stage'. Why is this you may ask???

Mark moved to the village in 1971 as a young boy with his family. Growing up he went to the local schools where he started his musical journey. Mark learnt to play the piano when he was young but when he and his friends got a band together called 'Sabre' at Swavesey Village College they needed a bass player so Mark being Mark took up the challenge. He became the bass player with Kevin Levitt, Bob Blackwell and Phil Wiskin. From that time on he didn't stop playing in bands, even going on to tour a couple of times.

Mark continued to live on the village with his wife Jen and their 2 children, Tom and Abbie. He was involved with local football playing for Bar Hill for many years (and anyone else that would take him).

He played the bass in bands for 34 years, the last 20 of which were playing with Stingray. They played many charity events, gigs and weddings throughout the local area becoming a well-known great sounding band.

Having played at the Over carnival one year with Stingray, Mark suggested that they do something similar in Bar Hill and from that point on he was the driving force behind having music at the Bar Hill village fête. He would source stages, bands and be at the fête from morning to night ensuring that everything ran smoothly behind the scenes. He took immense pleasure in seeing people having a great time enjoying the music.

In 2004, shortly after the death of his mum Terrtu and dad Eric, Mark was diagnosed with Sarcoma, a rare type of cancer. Over the years he spent much time in hospital but he never allowed the cancer to define him even continuing to do the Bar Hill Fête whilst having chemo and on another occasion just having had a spine operation to remove some of the cancer. Mark sadly passed away last year but in naming the stage after him, from now on, he will continue to be part of the event that he so enjoyed.
